

FREE SPEECH- LANGUAGE THERAPY

- Researchers at the Dept. of Psychological & Brain Sciences are inviting you to be in a study examining interaction between the child and the SLP during an online speech-language therapy session.
- Families will do a 30 minute face-to-face and a 30 minute online speech-therapy session once in the Heuser Hearing Institute & Language Academy, Louisville, KY.
- You will be given 40\$ for being in the study.
- You may be eligible if:
 - Your child has severe-to-profound hearing loss and is using cochlear implants
 - Your child is between 3 and 6 years old
