Children with ADHD and Related Difficulties (CARDS) Team at the Noble H. Kelly Psychological Services Center (PSC)

Providing Evidence-Based Assessment and Treatment for Children and Adolescents with ADHD

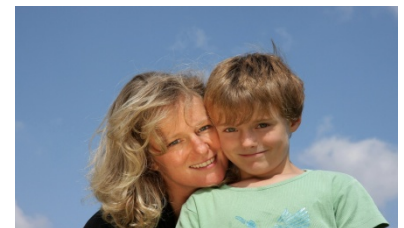

About the CARDS Team

The CARDS Team is a specialty clinic within the Noble H. Kelley Psychological Services Center, the training clinic for doctoral students in the Department of Psychological & Brain Sciences at the University of Louisville.

The CARDS Team specializes in providing evidence-based services for children and adolescents with ADHD and/or difficulties managing their emotions and behavior. Services include:

- Evaluations for ADHD
- Individual/Family therapy services for children with ADHD and/or difficulties in areas such as:
 - Behavior
 - Problem managing emotions
 - Poor frustration tolerance
 - Frequent “meltdowns” or “eruptions”
 - School difficulties
 - Organizational skills
- Group services, including:
 - Parent training groups for families of children with ADHD (6-12)
 - Managing Frustration group for children with ADHD (ages 8-12)
 - Social skills groups
- School consultations

The CARDS Team is located at the PSC in Suite 210 of Davidson Hall on the University of Louisville Belknap campus. Parking is provided for PSC clients in the visitor lot by the UofL North Information Booth.

About the Noble H. Kelly Psychological Services Center at University of Louisville

The PSC is one of the most affordable service providers in the Louisville metropolitan area. Fees at the PSC are determined using a **sliding scale** based on your household income. The PSC does not accept insurance.

If you would like to get more information about our services or schedule an appointment at the CARDS Team at the PSC, please call: **(502) 852-6782**
