This Contract is subject to the requirements of Executive Orders 11246 and 11375 and the rules and regulations of the U.S. Secretary of Labor (41 CFR Chapter 60) in promoting Equal Opportunities.

During the performance of this contract or purchase order, the Bidder, Offerer, Applicant, Seller, or Subcontractor (hereupon referred to as Supplier) agrees as follows:

- a. Supplier will not discriminate against any employee or applicant for employment because of race, religion, color, sex, or national origin. Supplier will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, religion, color, sex, or national origin. Such action shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation, and selection for training, including apprenticeship. Supplier agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Government setting forth the provisions of this nondiscrimination clause.
- b. Supplier will, in all solicitations or advertisements for employees placed by or on behalf of the Supplier, state that all qualified applicants will receive consideration for employment without regard to race, religion, color, sex, or national origin.
- c. Supplier will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice advising the labor union or workers' representative of Supplier's commitments under Section 202 of Executive Order 11246 of September 24, 1965, as amended, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
- d. Supplier will comply with all provisions of Executive Order 11246 of September 24, 1965, as amended, and of the rules, regulations, and relevant orders.
- e. Supplier will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by the rules, regulations, and orders, or pursuant thereto, and will permit access to his books, records, and accounts by the contracting agency and the Affirmative Action Office for purposes of investigation to ascertain compliance with such rules, regulations, and orders.
- f. In the event of Supplier's noncompliance with the nondiscrimination clauses of this contract or purchase order or with any of such rules, regulations, or orders, this contract or purchase order may be canceled, terminated, or suspended in whole or in part, and Supplier may be declared ineligible for further Government contracts in accordance with the procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.
- g. Supplier will include the provisions of Paragraphs (a) through (g) in every subcontract or purchase order unless exempted by the rules, regulations, or orders issued pursuant to Section 204 of Executive Order 11246 of September 24, 1965, so that such provision will be binding upon each subcontractor or vendor. Supplier will take such action with respect to any subcontract or

purchase order as the Government or Buyer may direct as a means of enforcing such provisions including sanctions for noncompliance; provided, however, that in the event Supplier becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction, Supplier may request the United States to enter into such litigation to protect the interests of the United States.¹

2. AFFIRMATIVE ACTION FOR DISABLED VETERANS AND VETERANS OF THE VIETNAM ERA

(Applicable to contracts and purchase orders exceeding \$10,000.)

This contract is subject to the requirements of Executive Order 11701 and the regulations of the U.S. Secretary of Labor (41 CFR Chapter 60, Part 60-250) in promoting employment opportunities for disabled and Vietnam veterans.

During the performance of this contract or purchase order, Supplier agrees as follows:

- a. To provide special emphasis to the employment of qualified disabled veterans and veterans of the Vietnam era. The Supplier also agrees that all suitable employment openings of the Supplier which exist at the time of execution of this contract or purchase order and those which occur during the performance of this contract or purchase order, including those not generated by this contract or purchase order and including those occurring at an establishment of the Supplier other than the one wherein the contract or purchase order is being performed but excluding those of independently operated corporate affiliates, shall be offered for listing at an appropriate local office of the State Employment Service system wherein the opening occurs and to provide such reports to such local office regarding employment openings and hires as may be required: provided, that if the contract or purchase order is for less than \$10,000 or if it is with a state or local government, the reports set forth in Paragraphs (c) and (d) of this clause are not required.
- b. Listing of employment openings with the employment service system pursuant to this clause shall be made at least concurrently with the use of any other recruitment service or effort and shall involve the normal obligations which attach to the placing of a bona fide job order, including the acceptance of any particular job applicant or from any particular group of job applicants, and nothing herein is intended to relieve the Supplier from any requirements in Executive Order or regulations regarding nondiscrimination in employment.
- c. The reports required by Paragraph (a) of this clause shall include, but not be limited to, periodic reports which shall be filed at least quarterly with the appropriate local office or where the Supplier has more than one establishment in a state, with the central office of the state employment service. Such reports shall indicate for each establishment (1) the number of individuals who were hired during the reporting period; (2) the number of those hired who were disabled veterans; and (3) the number who were nondisabled veterans of the Vietnam era.
- d. The Supplier shall submit a report within 30 days after the end of each reporting period wherein any performance is made on this contract or purchase order. The Supplier shall maintain copies of the reports submitted until the expiration of one year after final payment under the contract or purchase order, during which time they shall be made available, upon request, for examination by any authorized representatives of the contracting officer or of the University's Affirmative Action Office.

¹ For federally-assisted construction contracts, the Supplier further agrees that it shall comply with the requirements of 41 CFR 60-1.4(b), which is specifically incorporated by reference herein.

- e. Whenever the Supplier becomes contractually bound to the listing provisions of this clause, he shall advise the employment service system in each state wherein he has establishments of the name and location of each such establishment in the state. As long as the Supplier is contractually bound to these provisions and has so advised the state system, there is no need to advise the state system of subsequent contracts or purchase orders. The Supplier may advise the state system when it is no longer bound by this contract clause.
- f. This clause does not apply to the listing of employment openings which occur and are filled outside of the 50 states, the District of Columbia, Puerto Rico, Guam, and the Virgin Islands.
- g. This clause does not apply to openings which the Supplier proposed to fill from within his own organization or to fill pursuant to a customary and traditional employer-union hiring arrangement. This exclusion does not apply to a particular opening once an employer decides to consider applicants outside of his own organization or employer-union arrangement for that opening.
- h. As used in this clause:
 - 1. "All suitable employment openings" includes, but is not limited to, openings which occur in the following job categories: production and nonproduction; plant and office; laborers and mechanics; supervisory and nonsupervisory; technical, and executive administrative, and professional openings which are compensated on a salary basis of less than \$18,000 per year. This term includes full-time employment, temporary employment of more than three days' duration, and part-time employment. It does not include openings which the Supplier proposes to fill from within his own organization or to fill pursuant to a customary and traditional employer-union hiring arrangement. Under the most compelling circumstances an employment opening may not be suitable for listing, including the situations where the needs of the Government cannot reasonably be otherwise supplied, where listing would be contrary to national security, or where the requirement of listing would otherwise not be for the best interest of the Government
 - 2. "Appropriate office of the state employment service system" means the local office of the federal-state national system or public employment offices with assigned responsibility for serving the area where the employment opening is to be filled, including the District of Columbia, Guam, Puerto Rico, and the Virgin Islands.
 - 3. "Openings which the Supplier proposes to fill from within his own organization" means employment openings for which no consideration will be given to persons outside the Supplier's organization (including any affiliates, subsidiaries, and the parent companies) and includes any openings which the Supplier proposes to fill from regularly established "recall" or "rehire" lists.
 - 4. "Openings which the Supplier proposes to fill pursuant to a customary and traditional employer-union hiring arrangement" means employment openings for which no consideration will be given to persons outside of a special hiring arrangement, including openings which the Supplier proposes to fill from union halls, which is part of the customary and traditional hiring relationship which exists between the Supplier and representatives of his employees.
 - 5. "Disabled veteran" means a person entitled to disability compensation under the law administered by the Veterans' Administration for disability rates at 30 per centum or more, or a person whose discharge or release from active duty was for a disability incurred or aggravated in line of duty.
 - 6. "Veterans of the Vietnam era" means a person (1) who (i) served on active duty for a period of more than 180 days, any part of which occurred after August 05, 1964, and was discharged or released therefrom with other than a dishonorable discharge, or (ii) was discharged or

released from active duty for service-connected disability if any part of such duty was performed after August 05, 1964, and (2) who was so discharged or released within the 48 months preceding his application for employment covered under this part.
