Frequently Asked Questions

Q I've looked all through the catalog and can't find the item I really need. Does this mean Office Depot doesn't have it?

A Not at all. Office Depot offers over 15,000 items but we also have access to a large assortment of additional products that are made available through various third-party sources. Please call your customer service representative for assistance in ordering the product you need.

Q We just received our order and I thought I ordered 12 pens, but instead received 12 boxes of them. What do I do?

A Our product return policy and procedures are designed to help our customers make returns and exchanges quickly and efficiently. Please refer to our website for our complete Return Policy and for instructions on how to process such requests.

Q I went to my local Office Depot retail store and I told the cashier that I have a BSD account, but they wouldn't let me take advantage of my discount. Why?

A The contract between Office Depot and your company can only be utilized at the retail stores through the Store Purchasing/Procurement Card program. If you are not enrolled in this program, you can call our customer service team and arrange for an online order to be picked up at the Office Depot store of your choice.

Q I need to order furniture but I'm not sure exactly what I need or what options are available. Who can I contact for more information?

A Your Office Depot account representative is available to assist you with all inquiries, including furniture purchasing decisions. Contact your representative to arrange for an in-person meeting to discuss your requirements, view samples and even take measurements of your workspace.

Q My order usually arrives around 2:00 PM which is usually not a problem. However, I need this particular order first thing in the morning because I am working on a special project. Is there anything I can do to expedite delivery?

A Order deliveries are usually routed on a truck early in the morning and Delivery Service Representatives usually follow the same route every day. This is why your orders are usually received at roughly the same time each day. Unfortunately, due to a variety of factors, we are unable to change these routes to accommodate individual customer requests. In a situation like this, we encourage you to use the Office Depot Store Purchasing Card or contact our customer service team to place an order for pick-up at a local retail store near you.

Q It's early in the morning and I just realized that I need to add something to an existing order. My order usually arrives around noon. Can I call to add this item to today's order?

A Our orders are packaged at night so that delivery trucks can be loaded early in the morning before embarking on their routes. Our delivery trucks usually leave our distribution centers well before 8:00 AM, so unfortunately it would not be possible to update this existing order. We instead encourage you to use the Office Depot Store Purchasing Card or contact our customer service team to place an order for pick-up at a local retail store near you.

Q When I'm placing an order, occasionally I see the letters 'MWDVE' next to the item. What does this mean?

A 'MWDVE' indicates items that are manufactured or distributed by companies owned by Minorities, Women, or Disabled Veterans (the "E" stands for Enterprises).

Q Help, I'm on the Office Depot website and forgot how to set up a Custom Shopping List. What do I do?

A Click on "My Shopping Lists": You can start a new list there or open the "How to use and create lists" guide. This will guide you through each of our online tools step-by-step.

Q I have forgotten my password for ordering on the Office Depot website. What should I do?

A Simply go to our website (business.officedepot.com) and click on the "Forgot your login name/password?" link. You will be prompted to enter your login name and respond to your pre-determined security question. You will then be asked to update your profile with a new password. If you do not remember your login name, call our HELP DESK at 1-800-269-6888 any time between the hours of 7:00 AM - 9:00 PM Eastern Standard Time and they will be glad to help you. Have your account number ready when you call.

Q I would like some tips on how to make my work area more ergonomically correct. Can Office Depot help?

A Absolutely. Simply go to our website and click on the "Workplace Ergonomics" link on our Customer Service page to find useful tips about fitting your workplace to your individual needs and requirements.

Q I need additional copies of the catalog for my office. How do I request them?

A Many offices like to keep several catalogs on hand so that they can be used by several different people. Our catalogs are offered to our customers free of charge. You can request a catalog with your next online or phone order. Simply use the number that is printed on the back cover of your catalog in the lower right-hand corner (2016 catalog = 404384).
