

### ***Committee Composition***

The IACUC is currently composed of 17 voting members: 10 members of the faculty (with 1 position currently open), 2 individuals not affiliated with the institution, 1 faculty member experienced in ethics, and 3 veterinarians. Two *ex officio* (non-voting) members represent the Department of Environmental Health and Safety and medical administration. The following table lists the membership, their degrees/credentials, and their role on the committee. The Assistant Vice President for Research Services holds a permanent appointment; all other members are appointed for three-year terms.
