

## CURRICULUM COMMITTEE \*

### CHARGE:

The Speed Scientific School Curriculum Committee shall be responsible for the review of proposed courses or programs and the assessment of the need for review of existing programs. \*

All actions of the Curriculum Committee regarding courses or programs shall be in the form of recommendations to the Dean and the Speed School Faculty. The Committee will make its recommendations at such times as are deemed necessary.

The Committee shall make a written report to the Faculty of its activities annually. These annual reports should be submitted to the President of the Faculty Council before July 1, of each year.

### COMPOSITION AND SELECTION:

Each established academic department, the Dean and the Speed School Student Council shall select a member.

### TERMS:

The academic department representatives shall have two year staggered terms; the Dean's Office representative shall have a two-year term; and the term of the student member is one year. The term of new members shall begin on July 1.

Approved July 20, 1978

Revisions approved  
February 28, 1984

\*Includes engineering programs only.
