REQUEST FOR ENROLLMENT OVERLOAD

J. B. SPEED SCHOOL OF ENGINEERING
Undergraduate/MEng

Students may take a maximum of 18 credit hours each fall and spring semester and 13 credit hours in the summer term. In special circumstances during fall and spring semesters, students may register for 19 credit hours with permission from the Associate Dean for Academic Affairs. Students on limited load, academic warning or academic probation status are limited to no more than 13 credit hours during fall and spring semesters and 7 credit hours during the summer term.
