

MASTER OF ENGINEERING CHECKLIST

BRING TO THE SPEED SCHOOL ACADEMIC AFFAIRS OFFICE:

1. _____ An electronic copy of the thesis in Adobe PDF format on a CD.
2. _____ A copy of the non-exclusive license agreement (see Appendix IX).
3. _____ An extra copy of the title page and the abstract.
4. _____ A signed UMI Master's Thesis Agreement Form with subject headings and a completed and signed Publishing Options Form. The forms are available at the UMI website (<http://www.il.proquest.com/dissertationagree>) and select "2008-2009 Master's Thesis Publishing Agreement." Students may access this website and download the forms. The site is password protected. Use "dissertations" as the user name and "publish" as the password.
5. _____ The original Approval Page with all appropriate signatures. Note: an approval page without signatures must be included in your thesis.
6. _____ A check made out to UMI for the Master's Thesis Traditional Publishing fee in the amount of \$55.00. If you select the "Open Access Publishing" option the fee is \$150.00.

COPYRIGHT OPTION:

If you wish to copyright your thesis, complete the Authorization to Apply for Registration of My Claim to Copyright form. This form must be used in place of the corresponding section of the Publishing Agreement Form on the UMI Master's Thesis Agreement Form (page A5). Payment of the sixty-five (\$65) dollar copyright fee, in the form of a certified check or money order made out to Proquest, is due at the time the thesis is submitted. The Authorization to Apply for Registration of My Claim to copyright form is located on the Speed School web page.

BOUND COPIES OF THESIS:

Students may elect to have their thesis bound by contacting a commercial binder. The University of Louisville Libraries currently has a contract with Heckman Bindery. Prices and submission specifications for Heckman Bindery may be found on the Speed School web page. Information about other commercial binders can also be found on the Speed School web page.
