

ASCE Kentucky Section Scholarship Application

Applicants must meet all of the requirements set forth for consideration by the appropriate members of this scholarship; the requirements are listed towards the bottom of this page.

All information must be typed into this application for it to be considered complete.

Completed scholarship applications must be submitted to Dr. Zhihui Sun in WS Speed Hall 100 by 5:00 PM EST on Friday, March 1st, 2019.

If this application requires additional documentation to be submitted in addition to this two page form, please staple all pages together before submittal.

SCHOLARSHIP REQUIREMENTS:

The applicant must provide documentation they are a current national student member of ASCE.

The applicant must submit an unofficial transcript reflecting all grades up through the previous fall semester.

The applicant must have at least 70 hours of courses completed towards their BSCE degree.

The applicant must be ranked in the top third of their CEE class at the end of the previous fall semester.

SCHOLARSHIP AWARDED:

Two scholarships will be awarded for the upcoming academic year.

One scholarship will be awarded for \$1,000.

One scholarship will be awarded for \$750.

ADDITIONAL REQUIREMENTS:

If you are selected to be awarded the scholarship, you must attend the JB Speed School of Engineering Honors & Awards Banquet to be held in mid-April.

Additionally, you will be required to attend the annual ASCE KY Section Annual Meeting in fall to be awarded the scholarship. The department will excuse those awarded the scholarship from classes for the day of the annual section meeting.
