

SOCIETY OF AMERICAN MILITARY ENGINEERS
KENTUCKIANA POST

SCHOLARSHIP APPLICATION

January 18, 2019

Dear Applicant,

The Society of American Military Engineers (S.A.M.E.) brings together professional engineers and those in engineering related fields, such as architecture, planning and interior design, to improve and increase the engineering capabilities of the nation. In addition, S.A.M.E. fosters an environment to exchange and advance the knowledge of engineering technologies, applications, and practices.

Founded in 1920, the Society facilitates interaction between military and federal government engineers and those in the private sector for the purpose of improving the engineering potential of the United States. S.A.M.E. is a nonprofit professional engineering association with chapters (Posts) worldwide. Today the organization has some 25,000 members from industry, military and government agencies, and academia.

The Kentuckiana Post S.A.M.E. recognizes that some of our most valuable engineering resources of the future are the students of today. Therefore, the Kentuckiana Post will award up to five (5) \$4,000 Scholarships in 2019 to students who exemplify the qualities and accomplishments of a promising engineering or architecture career. ***High school seniors and college students meeting the criteria are encouraged to apply. Four (4) of the awards are designated for college students with one (1) award being reserved for a high school senior.***

Attached are scholarship eligibility requirements, instructions, and a 2019 Kentuckiana Post S.A.M.E. scholarship application. Applications can also be found at the Kentuckiana Post S.A.M.E. web site www.same.org/kentuckiana.

Any questions should be directed to the S.A.M.E. Scholarship Co-Chair:

Kristen Crumpton at (502) 217-1523 or kristen.crumpton@acem.com

We look forward to receiving your application.

Sincerely,

Kristen Crumpton
Scholarship Co-Chair
