¹Tuition, fees, books/supplies and room/board are based on the 2011-2012 academic years. Please visit the Bursar's website for the current tuition rates. Please note that courses offered online are 130% of the cost of traditional courses.

²Certificate programs with less than 10 graduates (in any given academic year), the following data elements will not be reported for that academic year: 'on time graduation rate' and 'median loan debt.'

³SACS has not established a 'requirement' for job placement rates.
