
BIOGRAPHICAL SKETCH

NAME Anne Baber Wallis	University of Louisville School of Public Health & Information Sciences Department of Epidemiology & Population Health Department of Health Promotion & Behavioral Sciences
---------------------------	--

EDUCATION/TRAINING			
INSTITUTION AND LOCATION	DEGREE <i>(if applicable)</i>	YEAR(s)	FIELD OF STUDY
Mary Washington College, Fredericksburg, VA	BA	1984	History
University of Virginia, Charlottesville, VA		1984-1985	European History
Johns Hopkins University, School of Hygiene & Public Health, Baltimore, MD	MHS	1997	Health Policy and Management
Johns Hopkins University, Bloomberg School of Public Health, Baltimore, MD	PhD	2003	Maternal and Child Health (Reproductive & Perinatal Health)

A. Personal Statement

Anne Baber Wallis, PhD, received her PhD in maternal and child health epidemiology at the Johns Hopkins University Bloomberg School of Public Health with a focus on reproductive and perinatal health. Her primary focus is on global and reproductive health epidemiology and evaluation. She teaches epidemiology, research methods, and global health courses, including study abroad research sessions. Dr. Wallis is PI of the MAIA study, a longitudinal study of pregnancy in Romania. She is a Fulbright Specialist scholar with a recent appointment in Armenia to study environmental health and an upcoming appointment with the University of the Gambia.

Positions and Honors

Positions and Employment

1985-1986 Assistant Editor, Congressional Information Bureau, Washington, DC
 1986-1989 Program Analyst, Applied Management Sciences, Silver Spring, MD
 1989-1990 Senior Analyst, Meridian Corporation, Alexandria, VA
 1990-1996 Research Associate, CSR, Incorporated, Washington, DC
 1998-2002 Senior Research Associate, CSR, Incorporated, Washington, DC; Washington, DC; Arlington, VA
 1995-2000 Research Assistant, Johns Hopkins University, School of Public Health, Department of Maternal and Child Health, Baltimore, MD
 1995-2000 Teaching Assistant, Johns Hopkins University, School of Public Health, Departments of Health Policy and Management and Maternal and Child Health
 1998 Co-Instructor, Johns Hopkins University, School of Public Health, Department of Maternal and Child Health, Baltimore, MD
 2002-2003 Visiting Assistant Professor, University of Iowa, College of Public Health, Department of Community and Behavioral Health, Iowa City, IA
 2002-2007 Assistant Professor (Clinical), University of Iowa, College of Public Health, Department of Community and Behavioral Health, Iowa City, IA
 2007-2008 Assistant Professor, University of Iowa, College of Public Health, Department of Community and Behavioral Health, Iowa City, IA
 2008-2013 Assistant Professor, University of Iowa, College of Public Health, Department of Epidemiology
 2011-present Lecturer, Babes-Bolyai University, Cluj-Napoca, Romania
 2013-present Adjunct Professor, University of the Gambia
 2013-2014 Assoc Professor, James Madison University, Department of Health Sciences
 Wallis, AB

Honors and Awards

1985	DuPont Fellowship, University of Virginia, Corcoran Department of History
1996-2000	Maternal and Child Health Bureau Doctoral Training Fellowship, Johns Hopkins University, School of Public Health, Department of Maternal and Child Health
1998	First prize paper presentation—"Do What You Gotta Do": Journal Accounts of Pregnant Women From the Baltimore City Healthy Start Project. Association of Teachers in Maternal and Child Health, Student Research Symposium
2004	College of Medicine/College of Public Health New Faculty Award. "Epidemiological Paradox or Perinatal Advantage? Perinatal Outcomes for Latina Women in Iowa and Florida"
2015	Fulbright Specialist, Yerevan State Medical University, Environmental Health Sciences
2015	Fulbright Specialist, University of the Gambia, Reproductive & Family Health, Urban Health
