

Christopher E. Johnson, Ph.D.

CURRICULUM VITAE

Professor and Chair
Department of Health Management and Systems Sciences
School of Public Health and Information Sciences
University of Louisville
Louisville, Kentucky 40292
Tel: (502) 852-3987
Email: christopher-e.johnson@louisville.edu

EDUCATION

- 1987 B.S., History, United States Naval Academy, Annapolis, Maryland.
- 1998 Ph.D., Health Services Research, Policy, and Administration, University of Minnesota, Minneapolis, Minnesota.
- 1998 Ph.D. Minor in Business Administration, Organization Theory Concentration, Carlson School of Management, University of Minnesota.

POSITIONS HELD

- 2015-Present Department Chair, Department of Health Management and Systems Sciences, School of Public Health and Information Sciences, University of Louisville
- 2015-Present Professor, Department of Health Management and Systems Sciences, School of Public Health and Information Sciences, University of Louisville
- 2012-2015 Program Lead, Health Systems Research Area, PhD Program in Health Services, University of Washington
- 2012-2015 Director, Graduate Program in Health Services Administration, School of Public Health, University of Washington
- 2012-2015 Austin Ross Chair in Health Administration, University of Washington
- 2012-2015 Associate Professor of Health Services, Department of Health Services, School of Public Health, University of Washington

Christopher E. Johnson, Ph.D.

- 2011-2012 Department Head, Department of Health Policy and Management, School of Rural Public Health, Texas A&M Health Science Center
- 2011-2012 Associate Professor, Department of Medicine, Baylor College of Medicine
- 2010-2012 Research Health Scientist, Mental Health Care Line, South Central VA MIRECC, Department of Veterans Affairs
- 2005-2012 Associate Professor, Department of Health Policy and Management, School of Rural Public Health, Texas A&M Health Science Center.
- 2007-2010 Director, Master of Health Administration Program, Department of Health Policy and Management, School of Rural Public Health, Texas A&M Health Science Center.
- 2002-2005 Research Health Scientist, 5/8 Appointment, Rehabilitation Outcomes Research Center, Department of Veterans Affairs.
- 1998-2005 Assistant Professor, Department of Health Services Research, Management and Policy, University of Florida.
- 1997-1998 Research Associate, Division of Health Services Research and Policy, University of Minnesota.
- 1996-1997 Research Assistant, Institute for Health Services Research, University of Minnesota.
Project: Office of Rural Health, Minnesota Department of Health, Primary Care Workforce Assessment.
Project: Blue Cross/Blue Shield of Minnesota, The Organizational Structure of Medical Group Practices in a Managed Care Environment.
- 1995-1996 Research Assistant, Quality Reengineering & Technology Committee, Office of the Provost, Academic Health Center, University of Minnesota.
Project: Academic Health Center, University of Minnesota, Reengineering Project.
- 1994-1995 Research Assistant, Institute for Health Services Research, University of Minnesota.
Project: Bush Foundation Group Practice Study.
- 1994 Administrative Intern, Finance Division, University of Minnesota Hospital and Clinic.

1987-1993

Infantry Officer, United States Marine Corps.

Johnson, C. E. Process theory models of problem solving within constraints in an academic health center. Department of Health Services Administration, University of Florida.

Christopher E. Johnson, Ph.D.

Lemak, C.H., H., Elms, H., Johnson, C.E., Duncan, R.P., and Porter, C.K. Florida's Medicaid Provider Service Network Demonstration Project, University of Florida.

FUNDED GRANTS

- 2013 – 2014 Co-Investigator. CDC SIP 13-072. “Using Information about Dementia and Co-occurring Chronic Conditions to Inform Public Health Strategies for Older Adults.” Study designed to conduct several secondary data analyses about the impact of cognitive impairment on co-occurring chronic conditions and to create a public health agenda for better serving this population. Budget: \$100,000.
- 2012 – 2014 Co-Investigator. VA HSR&D. “VA Post-Stroke Rehabilitation: Comparing Institutional Long-Term Care Settings.” Study designed to measure quality outcomes for VA stroke patients across settings. IIR 11-330-3. Budget: \$467,579.
- 2010 – 2011 Principal Investigator. VA HSR&D. “Initial Assessment of Mental Health Services Experience for Veterans in Rural Community Based Outpatient Clinics.” Local investigator project to develop pilot data for IIR project submission. Budget: \$10,000
- 2009 – 2011 Principal Investigator. VA HSR&D. “Center for the Study of Health Care Across Systems and Sites of Care.” Sub-contract as an organizational research specialist with the Bronx VA REAP to contribute to center projects. Budget: \$26,450.
- 2009 – 2012 Principal Investigator. National Science Foundation. “Absorptive Capacity of Hospitals.” Center for Health Organization Transformation study of multi-task management in member hospitals. Budget: \$200,000.
- 2008 – 2009 Principal Investigator. Department of Veterans Affairs Office of Rural Health. “Evaluating the Longitudinal Change in Chronic Health Care Utilization.” Sub-contract through the Central Texas Veterans Health Care System and VISN 17 to use the AHRQ MEPS data to conduct national analyses of chronic care to rural veterans. Budget: \$148,648.
- 2008 – 2012 Co-Principal Investigator. National Science Foundation. “Collaborative Research: Center for Health Organization Transformation.” Industry/academic partnership with Georgia Institute of Technology under NSF's I/UCRC program to establish multi-university center with multiple health systems across the United States. Budget: \$750,000.

Christopher E. Johnson, Ph.D.

- 2007 – 2008 Co-Principal Investigator. National Science Foundation. “Collaborative Research: Center for Health Organization Transformation.” Planning grant under NSF’s I/UCRC program to establish multi-university center with multiple health systems across the United States. Budget: \$10,000.
- 2005 – 2007 Co-Principal Investigator. The Commonwealth Fund. “Assessing Florida’s Innovations to Improve Nurse Staffing and Quality of Care in Nursing Homes.” Grant and subcontract with University of South Florida to study legislative initiatives in Florida to improve nurse staffing in nursing homes. Budget: \$222,343.
- 2005 – 2006 Principal Investigator. Administration on Aging. “The relationship between quality of care and financial performance in Florida nursing homes.” Subcontract with University of Florida to study financial performance of Florida nursing homes and whether quality of care impacts this performance. Budget: \$19,540.
- 2004 – 2005 Principal Investigator. Florida’s Agency for Health Care Administration. “Quality of Care in Florida Nursing Homes Serving High and Low Proportions of Older SMI residents.” Subcontract of a University of South Florida contract to study the quality of care for seriously mentally ill patients in Florida nursing homes. Budget: \$6,870.00.
- 2004 – 2005 Co-Investigator. Department of Veteran’s Affairs HSR&D. “Stroke Quality Enhancement Research Initiative.” Pam Duncan, PI. Center to lead the Department of VA’s efforts to implement evidence based medicine for veterans with stroke within the VHA. Budget: \$350,000.
- 2004 Co-Investigator. Florida’s Agency for Health Care Administration. “Medicaid Center Grant FY 2004.” Christy Lemak, PI. State contract study compares inpatient, emergency room, outpatient/physician, and pharmacy utilization for the Minority Physician Network pilot programs to MediPass. Budget: \$440,997.
- 2003 – 2006 Principal Investigator. Quality Indicators for Veterans with Stroke in Community Nursing Homes. Department of Veterans Affairs HSR&D Proj. IIR 02-284. A grant to examine the risk-adjusted quality and utilization of services for veterans with stroke in community (non-VA) nursing homes 1999 – 2002. Budget: \$398,254.

Christopher E. Johnson, Ph.D.

- 2003 – 2004 Co-Investigator. Agency for Healthcare Research and Quality. “Bioterrorism Preparedness in Rural and Urban Communities.” Aram Dobalian, PI. Grant that studies the ability of rural and urban communities in Northern Florida to prepare for and survive a bioterrorism attack. Budget: \$889,072. 2003-2004.
- 2003 - 2004 Co-Investigator. Evaluating the Minority Physician Network Medicaid Pilot Program. Christy Lemak PI. Florida’s Agency for Health Care Administration. A state contract to evaluate the effectiveness of the minority physician network pilot program. Budget: \$100,000.
- 2002 – 2005 Principal Investigator. HSR&D Merit Review Entry Level Program. Department of Veterans Affairs HSR&D Proj. MRP 02-264-1. Career development award to study veteran utilization of community nursing homes, rehabilitation outcomes, and comparing quality of care in community nursing homes versus VA nursing homes. Budget: \$180,000
- 2002 – 2003 Principal Investigator, Preliminary Analysis of Stroke Services by Veterans in Community Nursing Homes. Department of Veterans Affairs HSR&D LIP Project. A preliminary examination of the utilization and geographic distribution of veterans’ use of community nursing homes. Budget: \$50,000.
- 2001 – 2004 Co-Principal Investigator. Public Health Trust Miami Dade/HRSA, Christy Lemak PI. Evaluation of the Health Access Continuum. A grant to evaluate the performance of the Public Health Trust of Miami Dade’s Health Access Continuum community access program (CAP) grant from HRSA. Program set up to move uninsured to insurance programs in underserved communities. Budget: \$125,000.
- 2000 - 2003 Co-Investigator. HRSA Traineeship Grant. HRSA, Niccie McKay, PI. Creation of a Florida Health Journal that will be run by MHA students. This journal will coincide with cross course and integrative examinations of the populations and health systems serving those populations in Florida.
- 2000-2003 Co-Investigator. Provider Service Networks Evaluation. Robert Wood Johnson Foundation, The Alpha Center, and the State of Florida, Paul Duncan PI. Evaluation and categorization of newly formed PSNs and how they are affecting care to Medicaid patient populations.

Christopher E. Johnson, Ph.D.

- 2000 Principal Investigator. Task Force on the Affordability and Accessibility of Long Term Care in Florida, University of South Florida. Sub-contract with University of South Florida to provide staffing support for a legislative task force. Studied the current and future state of liability, litigation, and quality in Florida's nursing homes. Budget: \$20,000.
- 1999-2002 Co-Investigator. Access and Quality of Care for Low-Income Adolescents. Agency for Healthcare Research and Quality, Elizabeth Shenkman PI. Proj. U01-HS-10465. Three year study of the effect of structure on health outcomes and satisfaction of low income adolescents in Florida. Includes a 2,000 site clinic survey to determine variation in clinic effects on quality of care. Budget: \$920,191.
- 1999 - 2000 Principal Investigator. Extencicare Faculty Fellowship. Extencicare Health Services, Inc. An examination of the effects of litigation on the quality of care in Florida's nursing homes. Budget: \$15,000.
- 1997-1998 Principal Investigator. Issue Complexity in Academic Health Centers. Agency for Health Care Policy and Research. Dissertation grant to examine a three year reengineering project in a large academic health center.

HONORS AND AWARDS

- 2009 – 2011 Outstanding Reviewer Award, Health Care Management Division, Academy of Management.
- 2002 Career Development Award, Health Services Research and Development, Department of Veterans Affairs.
2001. Co-Recipient, Paper of the Year, Academy for Health Services Research and Health Policy.
- 2001 Outstanding Reviewer Award, Health Care Management Division, Academy of Management.
- 2000 Co-Recipient, Seventh Annual Research Award, National Institute for Health Care Management Research and Educational Foundation.
- 1999 Faculty Fellowship Award, Extencicare Health Services, Inc.
- 1997-1998 Dissertation Grant, Agency for Health Care Policy and Research.

Christopher E. Johnson, Ph.D.

- 1996 Agency for Health Care Policy and Research Trainee.
- 1993-1994 Health Sciences Higher Ability Minority Scholarship, School of Public Health, University of Minnesota, Minneapolis, Minnesota.
- 1993 Graduate School Fellow, Graduate School, University of Minnesota, Minneapolis, Minnesota..

PRESENTATIONS

- 2013 Hospital and Health System Change and Transformation Typology. Presenter. August 2013. Academy of Management Annual Meeting. Orlando, Florida.
- 2013 Moving Your Work to the Next Step: Getting Feedback from the Experts. Professional Development Workshop Coordinator. August 2013. Academy of Management Annual Meeting. Orlando, Florida.
- 2012 Organizational Learning and Change: Research and Methods for Health Care Settings. Paper Session Chair. August 2012. Academy of Management Annual Meeting. Boston, Massachusetts.
- 2012 Moving Your Work to the Next Step: Getting Feedback from the Experts. Professional Development Workshop Coordinator. August 2012. Academy of Management Annual Meeting. Boston, Massachusetts.
- 2011 Organizational Change and Learning in Health Care Organizations. Paper Session Chair. August 2011. Academy of Management Annual Meeting, San Antonio, Texas.
- 2011 Transcending Industry and Academic Boundaries: Conducting Real-Time, Evidence-Based Management Research in Healthcare. Professional Development Workshop. August 2011. Academy of Management Annual Meeting, San Antonio, Texas.
- 2010 Moving Your Work to the Next Step: Getting Feedback from the Experts. Professional Development Workshop Coordinator. August 2010. Academy of Management Annual Meeting. Montreal, Quebec.
- 2008 Organizational Responses to Environmental Forces: The Health Care Industry. Discussant. August 2008. Academy of Management Annual Meeting. Anaheim, California.

Christopher E. Johnson, Ph.D.

- 2008 Top Management's Stability Impact on Turnover. Presenter. January 2008. Florida Health Care Association Quality Credentialing and Special Briefing Meeting. Tampa, Florida.
- 2007 Top Management's Stability Impact on Turnover and Deficiencies. Presenter. November 2007. The Gerontological Society of America, San Francisco, California.
- 2007 Top Management's Stability Impact on Turnover and Deficiencies. June 2007. Presenter. AcademyHealth Annual Research Meeting 2007. Orlando, Florida.
- 2006 Assessing the impact of Medicaid direct patient care increases on pain and other quality measures. Presenter. November 2006. The Gerontological Society of America, Dallas, Texas.
- 2006 Characteristics of community nursing homes serving per-diem Veterans 1999-2002. Presenter. November 2006. The Gerontological Society of America, Dallas, Texas.
- 2006 The effects of top management tenure and structural characteristics on direct care staff turnover. Presenter. November 2006. The Gerontological Society of America, Dallas, Texas. Presented by Mishu Popa, Johnson co-author.
- 2006 Quality of care for veterans in community nursing homes. Presenter. June 2006. AcademyHealth Annual Research Meeting 2006, Seattle, Washington.
- 2005 Using administrative data to understand serious mental illness in nursing homes. Presenter. November 2005. 58th Annual Meeting of The Gerontological Society of America, Orlando Florida.
- 2003 Collaboration to Improve Services for the Uninsured: Exploring the Concept of Health Navigators as Interorganizational Integrators. Annual Academy of Management Meeting, Seattle, Washington, August 2003. Presented by C. Lemak, Johnson and Goodrich authors.
- 2003 Predicting Lawsuits Against Nursing Homes in the United States 1997 – 2001. Presenter. AcademyHealth 20th Annual Research Meeting, Nashville, TN June 2003.
- 2002 Florida's litigation experience, Presenter, 55th Annual Meeting of The Gerontological Society of America, Boston, Massachusetts

Christopher E. Johnson, Ph.D.

- 2002 Decision making centrality and the adoption of medical technology by medical groups in a managed care environment. Poster Session B, AHSR 19th Annual Meeting, Washington, DC
- 2002 Predictors of Lawsuit Activity Against Nursing Homes in Hillsborough County Florida, Presenter, Health Care Organizations Conference Fourth Annual Meeting, University of California
- 2001 Nursing Home Quality of Care: Agendas and the Effect of Staffing, Profit Status, and Medicaid on Citations in Florida, Presenter, 54th Annual Meeting of The Gerontological Society of America, Chicago, Illinois.
- 2000 Predictors of Lawsuit Activity in Hillsborough County, Florida, Presenter, 54th Annual Meeting of The Gerontological Society of America, Chicago, Illinois
- 2001 The Role of Decision Makers in the Acquisition of Information Technology: The Case of Medical Group Practice in Managed Care Environments, 2001 Decision Sciences Institute International Conference, Chihuahua, Mexico
- 2000 Discussant, Health Care Management Track, Southern Management Association, Orlando, Florida
- 2000 Discussant, New Directions in Health Care Research: Cognitive Maps, Instrumentation Issues, and Managerial Profiling, 2000 Annual Meeting of the Academy of Management, Toronto, Canada
- 2000 Symposium Co-Chair, The Rhythm of Organizational Responses to their Environments, 2000 Annual Meeting of the Academy of Management, Toronto, Canada
- 2000 Multi-Faceted Threat and Dual Responses: Litigation and Florida's Nursing Homes, Presenter, 2000 Annual Meeting of the Academy of Management, Toronto, Canada
- 2000 Impact of Litigation on Nursing Homes in Florida, Poster Session B, AHSR 17th Annual Meeting, Los Angeles, California
- 1999 Discussant, Health Care Management Track, Southern Management Association, Atlanta, Georgia
- 1999 Problem Solving Within Constraints During a Formal Change Process in an Academic Health Center, Poster Session B, AHSR 16th Annual Meeting, Chicago, Illinois.

Christopher E. Johnson, Ph.D.

1998 Guideline use in Medical Group Practices, Minnesota Health Services Research Conference, Minneapolis, Minnesota.
