PhD in Public Health Sciences – Health Management

Admission

Applicants already holding an advanced degree are evaluated on the basis of appropriateness of previous coursework, training and experience. The graduate work by such applicants is reviewed on a case-by-case basis, and the applicant, if admitted, may be required to take additional course work prior to completing the minimum 48 credit-hours required for post-master’s doctoral work.

The minimum required documentation for full admission must include:

- Official transcript for each degree
- Official GRE score – If applicant has no degree from accredited US institution, then only the GRE is acceptable – Requirement is waived if applicant has doctoral degree.
- Three (3) letters of recommendation from individuals who have direct knowledge and experience with the applicant’s academic and/or professional work experience.
- Official TOEFL score if applicant’s native language is not English and applicant has no degree from accredited US institution.
- Foreign credential evaluation for each degree not from an accredited US institution.

The following are recommended criteria for admission:

- Undergraduate and Graduate GPA each ≥ 3.0 on 4.0 scale
- GRE performance in 50th percentile or above for Verbal and Quantitative scores (Comparable scores on the MCAT or DAT are considered.)
- If applicable, Test of English as a Foreign Language (TOEFL) score in 60th percentile or above

Application Deadline

Applications are accepted for fall admission only and should be completed by May 1st.
