

## TRANSFER DEGREE PATHWAY GUIDE

Associate in Art to UofL for Bachelor of Science in Dental Hygiene

### **Overview**

Completion of the following curriculum will satisfy the requirements for the Associate in Art at the Kentucky Community and Technical College System and leads to the Bachelor of Science in Dental Hygiene at the University of Louisville.

### **Admission Requirements**

Admission to the Dental Hygiene upper division program requires a separate application (DHCAS application), the deadline for which is January 15th each year. Admission to the upper division clinical dental hygiene program is selective and not guaranteed. For full details and application requirements, see <http://louisville.edu/dentistry/degrees/hygiene/upper-division-admissions>

### **Degree Requirements**

The baccalaureate degree in science is the undergraduate degree offered by the university. It is awarded to students who have completed both university-wide requirements and the requirements of the selected degree program. The following university-wide requirements apply to all baccalaureate degrees. The student must complete all Cardinal Core requirements, complete all required courses and program requirements listed in this form, have a cumulative GPA of at least a 2.00, or higher, complete 120 hours applicable to this program, and complete at least 60 hours at an accredited 4-year institution.
