TRANSFER DEGREE PATHWAY GUIDE

Associates Degree in Nursing + Associate in Science to Bachelor of Science in Nursing (RN-BSN)

Overview
Completion of the following curriculum will satisfy the requirements for the Associate in Science at the Kentucky Community and Technical College System and leads to the Bachelor of Science in Nursing at the University of Louisville.

Admission Requirements
The RN-BSN 100% online program is offered by the University of Louisville's School of Nursing for Registered Nurses who have an associate degree in nursing (ADN). Students are required to have a minimum undergraduate cumulative grade point average of 2.0 and a U.S. RN license without restrictions.

Contact the School of Nursing advising office (502-852-5368) to notify them of your desire to complete the online RN-BSN program and for an initial discussion of your prior college credits.

Students are required to submit an underaduate application and pay the $25 non-refundable application fee. Applicants must submit all official college transcripts from all previous undergraduate college work to the Office of Admissions.

Degree Requirements
The baccalaureate degree in science is the undergraduate degree offered by the university. It is awarded to students who have completed both university-wide requirements and the requirements of the selected degree program. The following university-wide requirements apply to all baccalaureate degrees, please consult with your academic unit for specific degree completion requirements. The student must complete all Cardinal Core requirements, complete all required courses and program requirements listed in this form, have a cumulative GPA of at least a 2.00 or higher, complete 120 hours applicable to this program, and complete at least 60 hours at an accredited 4-year institution.
