

## TRANSFER PATHWAY GUIDE

Associate in Art to Bachelor of Science in Organizational Leadership & Learning:  
Healthcare Leadership

### **Overview**

Completion of the following curriculum will satisfy the requirements for the Associate in Art at the Kentucky Community and Technical College System and leads to the Bachelor of Science in Organizational Leadership and Learning (OLL) in Healthcare Leadership at the University of Louisville.

### **Admission Requirements**

Direct admission to UofL's College of Education & Human Development BSOLL in Healthcare Leadership program requires a cumulative 2.7 college GPA or higher. It is recommended that students have a minimum of 24 credit hours to transfer. If an admissions counselor must consider the student's high school work and test scores due to the number of transferable hours, the student will be directly admitted with a cumulative 2.5 high school GPA and composite score of 21 on the ACT/total score of 1060 on the SAT. If any admission's criteria are not met up front, the student may submit a petition to the program/college.

OLL in Healthcare Leadership applicants are asked to have at least 1 year of work experience in Healthcare. Less than 1 year of Healthcare Leadership work experience may require the student's application be reviewed by the OLL department.

### **Degree Requirements**

Students must make a minimum cumulative UofL GPA of 3.0 and program GPA of 3.3, as well as pass their OLL core classes with a grade of B+ or higher. Lastly, the final 30 of 36 hours for this degree must be completed through UofL.
