

GNAS Grant Funding Report

Use this form to report on the status of your project, funded by the Dean of A&S. We ask that this report be submitted no more than four (4) weeks after the conference or completion of the research activity.

This documentation ensures that funds are used appropriately and allows for advocacy for additional research funding for graduate students. Students who do not submit this form may not be eligible for further GNAS funding. Email asgrad@louisville.edu with questions.

Your Name: _____

E-address: _____

Department: _____

Date(s) of funded activity: _____

Please describe how the funds were used with as much detail as possible (what specifically they were used to purchase or pay for). Report any publications, presentations, or other outcomes that resulted from this funding. If this fund covered only part of the total expenses, please report how other costs were covered.
