

**College of Arts and Sciences
Curriculum Committee
Minutes
April 18, 2014**

Members present: J. Li, R. Roebuck (Chair), M. Rohmann, R. Taylor, C. Tillquist, W. Yoder

Members absent: M. Church, H. Gutierrez, C. Zhang

Guests: S. Gierke (LBST), J. Hale (LBST), K. Mountain (Geog/Geos)

The minutes of the meetings of February 7 and March 7 were approved, with typographical corrections being noted.

A student petition for an exception to the requirements for graduation with honors was not approved.

The committee approved GEN 103: Topics in College Math--non STEM and a change to the title of GEN 104, which becomes "Topics in College Math—STEM," effective Summer 2014. The attempt to use GEN 104 for both populations proved confusing during AY 13-14. The proposal for the separate courses had the support of the Department of Mathematics .

LBST 401: Senior Capstone Project—CUE was approved, to be effective Summer 2014.

GEOG 442: Senior Thesis was approved for CUE designation, effective Summer 2014.

WGST 501: Senior Seminar in Women's and Gender Studies HUM –WR was deleted. The course will be deleted from the degree plan for all WGST degrees in which it appears, effective Summer 2015.

A proposal for CUE courses from the Department of Chemistry was deferred for additional information and until a departmental representative can be present at a committee meeting.

A proposal for ENGL 598 (new course and CUE designation) was likewise deferred for additional information and to have a departmental representative present.

A proposal to limit retroactive language placement credit was deferred for additional clarification, although the committee expressed support for consistency in the amount of credit to be earned through the placement exam process.
