# Xi Jinping's Third Revolution and the Future of U.S.-China Relations

with the  
Director for Asia  
Studies at the Council  
on Foreign Relations

Elizabeth  
Economy

Chinese president Xi Jinping is transforming China at home and abroad. Over the past five years, he has taken unprecedented steps to consolidate his authority; expand the role of the Communist Party; and control the exchange of ideas and capital between China and the outside world. Beyond its borders, Beijing has recast itself as a great power, seeking to reclaim its past glory and better serve its ambitious geopolitical objectives.
