Overall GPA (min. 3.0) _____ GPA in Biology courses (min. 3.5) _____

Project Title: _____

Faculty Supervisor (print): _____ Dept. _____

Signature of Faculty Supervisor

Signature of Biology Honors Director

Proposal: A three-to-five page project proposal *must* accompany this form. The proposal must state clearly the **specific aims/hypothesis** of the project, include a background **summary** and describe the **methodology** to be employed. A brief (10-12 reference) **citation list** is also required. If your project topic or methods change significantly, submit a new initiation form and proposal as soon as possible.

Deadlines: Dates for completion of proposal, thesis, and defense are the same as for University Honors. Go to <http://louisville.edu/artsandsciences/honors/academic-opportunities/senior-honors-theses/senior-honors-theses.html> for this information.
