Other Important Information for Metropolitan College Students

MC students may not be able to sign an agreement by the payment deadline for several reasons including, but not limited to:

1. The first day of UPS employment is after the payment deadline
2. A student does not have a completed FAFSA on file for the current term
3. A student has not met all MC UofL eligibility requirements

Students who sign an agreement with Metropolitan College by the agreement deadline (Fall: October 15, Spring: March 15, and Summer: August 1) AND either pay their student account balance in full or through a payment plan with the University of Louisville AND meet all MC eligibility requirements for the semester, will be eligible for tuition reimbursement approximately 4-6 weeks after the MC semester agreement period (Fall: December 31, Spring: May 31, and Summer: September 30).
