Everyone is welcome.

DRY WEATHER

WET WEATHER

Pledge Level One

- ⌘ Scoop pet waste from my yard and neighborhood
- ⌘ Reduce my lawn chemical use
- ⌘ Plant native plants to soak up rainwater
- ⌘ Limit my laundry and other water intensive activities on rainy days
- ⌘ Spread the news – tell friends what you're doing and why
- ⌘ Interact with creek and locate my nearest storm drain grate

Protecting the Creeks

Pledge Level Three

- ⌘ Maintain my auto to not leak oil or other fluids
- ⌘ Create a rain garden or bioswale in my yard or neighborhood
- ⌘ Use pervious pavers or concrete for walkways and driveways
- ⌘ Encourage green infrastructure in new construction in my neighborhood and city
- ⌘ Host a creek clean-up and native plant planting
- ⌘ Become BCA volunteer and tell my story to others

Pledge Level Two

Making a Big Difference!

- ⌘ Disconnect my home's downspouts and let that water sink into my yard
- ⌘ Eliminate lawn chemical use
- ⌘ Install rain barrels and use them regularly
- ⌘ Install low water use hardware in my home
- ⌘ Keep trash and debris away from storm grates in my neighborhood
- ⌘ Volunteer for one or two creek clean-ups annually
