Campus Health Services will be offering Covid boosters, Covid vaccinations and flu vaccinations this week at the Health Sciences Center and next week on the Belknap Campus to faculty, staff and students. You can get both your Covid vaccine/booster and your flu vaccine at the same time if desired. Please self-schedule an appointment using the attached instructions for best experience.

Upcoming Vaccine Clinics

Wednesday, Nov. 10, through Friday, Nov. 12, on the HSC Campus in the UofL Healthcare Outpatient Center (HCOC) from 9 a.m. to 3 p.m. in the Conference Center/Physicians Lounge across from suite 110. Look for the signage from Campus Health.

Wednesday, Nov. 17, through Friday, Nov. 19, at the SAC (Swain Student Activities Center) from 9 a.m. to 3 p.m. This is a pop-up location across from the Mail/print shop.

Self-scheduled appointments are recommended for best service but not required. For detailed registration instructions, please see the attached instructions.

How to Self-Schedule Vaccine Appointments
============================================

Having an appointment greatly expedites the process, so we STRONGLY urge you to do so. See below for quick and easy instructions to make an appointment

1. If you want to receive a flu vaccine and a COVID vaccine you will need to make two appointments.
2. Go to https://louisvilleportal.pointnclip.com
3. Click the “Student, Staff and Faculty” button at the top of the page.
4. Microsoft login screen will open. Sign using your ULINK ID@louisville.edu and associated password
5. “Stay Signed In” screen will appear and click No.
6. Confirm your identity by entering your date of birth and click proceed.
7. You should now be on the main page of the Campus Health Patient Portal.
8. To schedule an appointment, click on View, Check-in or Book an Appointment.
9. Select the **Influenza Vaccine Mass Immunization Clinic OR Covid Vaccine** (and select which vaccine you need) and click **Continue**

10. Enter a Callback number

11. Confirm, update or provide Race/Ethnicity information required for epidemiological reporting and click **CONTINUE**

12. Enter or update and confirm you address for epidemiological reporting and click **CONTINUE**

13. Sign the Consent form

   1. Note: you only need to answer questions regarding the specific vaccine you are going to receive. IF YOU ARE GETTING BOTH PLEASE FILL OUT THE ENTIRE CONSENT
   2. Scroll to the bottom of the screen to complete your signature

14. Select **Appointment date** and vaccination location and then click **SEARCH APPOINTMENTS**

15. Select your desired appointment time and click **CONTINUE**.

16. Click **CONFIRM** if your appointment date, time and location are correct.

17. **SAVE A COPY OF YOUR QR CODE to use at check-in.**

   1. Scroll to the bottom of the page - a QR code is displayed with your confirmation
      a. If you are on a mobile device, take a screenshot of your QR code
      b. If you are on a PC, print out your QR code and bring it with you to your appointment

18. **ALL DONE!!!!**
