

# Select Agent Destruction

University of Louisville  
Department of Environment, Health and Safety

Please complete this form for the final destruction of your Select Agent stocks. Before you do so, please contact the Department of Environmental Health and Safety (DEHS) to verify the procedure and arrange for a DEHS witness. Destruction of some non-exempt registered Select Agents must be reported to the U.S. Centers for Disease Control and Prevention (CDC). Please call DEHS if you have any questions.
