# How the Service Works: Cintas Laundering of University of Louisville Owned Lab Coats

Cintas has you covered with a convenient lab coat laundry services that use an exclusive wash process proven effective at eliminating many delicate virus strains.

The lab coats provided by the university will be barcoded for tracking purposes using our TruCount™ system. With our TruCount™ Inventory Management System, every single lab coat is scanned every service visit. So we know, and you know, exactly where your lab coats are at all times.

## HERE'S A LOOK AT A TYPICAL SERVICE VISIT:

The University of Louisville is responsible for the purchase and replacement of the lab coats, and Cintas will launder the lab coats on a weekly basis.

The cost of Cintas laundering for university owned garments is \$0.42 per coat per week.
