

U^{OF}L University of Louisville Laboratory Chemical Hazardous Waste Labels

AVAILABLE AT NO COST!

Large and small available, 5 sheets per request or print your own.

Hazardous Waste Labels can be obtained at:

- Belknap Campus: DEHS Main Building (1800 Arthur St.)
- HSC Campus: DEHS Radiation Safety Office (Library Commons Rm 102)
- Email label request to dehsubm@louisville.edu (with subject 'Hazardous waste label request,' PI name, location/ mailing address)

- Scan me!
- Print using Avery 5168 or 5164 or comparable labels!

**This specific labeling is REQUIRED
on each hazardous waste container.**

**If reusing an empty chemical container to collect
waste, ensure that:**

- The container is free of chemical residues.
 - The original label is defaced, removed, or covered with the hazardous waste label.
 - Waste contents are listed.
 - Associated hazards are circled.
-

To request pick up of waste containers:

- Submit pick up request through Chematix at <https://louisville.chematix.com/Chematix/Login>.
- New to Chematix? Contact DEHS 852-6670 or chematix@louisville.edu.
- Chematix Reference Guides and Videos available at <https://louisville.edu/dehs/waste-disposal>.
