

DEHS WASTE MANAGEMENT FOR AEROSOL CANS

SCOPE: This procedure applies to the U of L department personnel for the waste collection of FULL, PARTIALY-USED, AND EMPTY AEROSOL CANS.

EXCLUSIONS: Leaking aerosol cans should not be placed into the waste aerosol collection container. Bag the damaged aerosol can and contact DEHS at 852-6670 for pick up.

No other waste liquid or solid waste products and/or chemical containers should be discarded into the waste aerosol can collection container. For the disposal of these items, contact DEHS Hazardous Waste Coordinator at 852-2956.

WASTE CONTAINER EMPTYING/REPLACEMENT: When container is nearly full, it is the responsibility of department personnel to promptly submit the on-line DEHS Chemical/Hazardous Waste pick up form at www.louisville.edu/dehs/waste-program .

QUESTIONS/CONCERNS: Please direct to DEHS Hazardous Waste Coordinator at 502-852-2956 or 502-852-6670.

STEP 1 -

Prior to placement into aerosol can waste collection container, remove spray nozzle OR replace can cap.

STEP 2 -

Discard empty, full, or partially-used aerosol can into waste collection container. Be sure to re-close waste container.

STEP 3 -

When waste collection container is nearly full, Submit on-line pickup form.
