

4-Year Flight Plan School of Dentistry Bachelor of Science in Dental Hygiene

This degree progression plan serves as a visual aid to help you plan your courses so that you can graduate in four years. Depending on course availability, you may or may not be able to enroll in this exact sequence. If you have difficulty selecting courses as mapped out below, please consult with your academic advisor to plan how you can adjust your degree progression plan. Please note that you **MUST** complete all prerequisite courses and be accepted in the Upper Division of the program before being allowed to enroll in the Upper Division courses. These courses are subject to change.
