

Thursday, December 10th

Microsoft: 12 PM - 1 PM

Adobe: 1 PM - 2 PM

Taste of Technology

Explore the future of technology alongside the innovators who are creating it.

Discover a smorgasbord of technological opportunities alongside **Microsoft** and **Adobe** in this interactive webinar. Microsoft will discuss how to develop a robust digital skillset for a career in the modern workplace. Adobe will focus on an overview of UofL's newly-available Adobe Creative Cloud access via the Adobe Creative Campus program.
