***The program changed from a part-time program to a full-time program beginning with the 2007 cohort.** The majority of these part-time students accounts for the extended years to graduation below. Thus, many individuals who have graduated over the past seven years, including those graduating in 2012-2013, were part-time students. **Beginning with the 2007 cohort the program was structured so that we accept only full-time students.** We accept students at both the post-master's and post-bachelor's level. Students entering with a bachelor's degree can complete the program in **5 years** (including internship year) and those entering with a master's degree can complete the program in **4 years**. See the program handbook at <http://louisville.edu/education/degrees/files/ECPY-doc-2010.pdf> for policies about transfer credit.
