

MS HROD Suggested Course Sequence

Below, you will find several suggested paths to graduation based on your starting semester. The HROD program is designed to be flexible to meet the needs of working professionals. Your path to graduation may differ based on your professional needs or personal circumstances.

Please keep the following guidelines in mind:

- The program is designed with the general expectation that students take one course per 8-week term. There are two 8-week terms per Fall and Spring semester, and one 8-week term in the Summer semester.
 - Students with **full-time jobs** should take up to two courses per Fall and Spring semesters, and 1 class in the Summer semester (one class each term, each semester).
 - Students with part-time jobs (or not currently working) may take three courses per Fall and Spring semesters, and two courses in the Summer semester.
- Students desiring an HR emphasis should consider electives LEAD 612 and LEAD 631. Students desiring a Workplace Learning emphasis should consider LEAD 663 and 672.
- LEAD 617 should be taken in the **first** semester.
- LEAD 616 must be taken in the **last** semester.
