

Professional Dispositions

University of Louisville students who are in pre-service teaching roles are expected to contribute to the creation of a positive and effective climate with peers, teachers and faculty in field placements and U of L courses through professional dispositions and behaviors.

Positive dispositions and behaviors are necessary to continue in the program and to be eligible to student teach. As students' progress through the program, they will be assessed through a Dispositions Assessment for Educator Preparation programs in the CEHD.

Professionalism

Collaboration

- o Respect for Student Differences
- o Preparation
- o Ethical Teaching Behavior

Critical Thinking

- o Reflection to Impact Student Learning
- o Accepting and Implementing Feedback
- o Intellectual Curiosity

Commitment to Teaching
