College of Education & Human Development COURSE BY CONFERENCE

A regular course in the catalog (not an independent study) may occasionally be taken by an individual in conference with a faculty member if the course is not in the schedule. Registration for a course by conference must have prior approval by the instructor, the department chair and the dean.

Content of a course by conference will conform to the catalog description, thus no special statement of the problem is necessary.

Year and Term Fall	Spring Summer I _	Summer II Sum	mer III A	All summer
