

Safety Resources

Yellow Dot

The Yellow Dot Program alerts first responders at crash scenes of critical medical information that could save a life. Participants in the program provide important medical information that could help emergency responders make split second decisions by placing the Yellow Dot decal in the lower-left corner on the driver-side rear window and the completed Yellow Dot personal information folder into the glove compartment of the vehicle. Yellow dot stickers and information folders can be requested online at: <http://bit.ly/YELLOWDOT>

Smart 911

In an emergency, seconds count. Now you can save seconds with Smart911, a free service provided by your community. Sign up today to provide information to 9-1-1 and first responders before an emergency happens, so they can better help you during one. Accounts can be created online at: <https://smart911.com/>

Because every second counts. Sign up today.

Big Red Safety Box

The Big Red Safety Box is a free-of-charge toolkit given to autism families in need as a means to educate, raise awareness and provide simple tools that may assist them in preventing and responding to, wandering-related emergencies. To learn more go to: <https://nationalautismassociation.org/big-red-safety-box/>
