

UNIVERSITY OF
LOUISVILLE.

KENTUCKY AUTISM
TRAINING CENTER 

March 2011

Hello everyone! I hope that you found the February KY PLANS materials to be of great help to you. I am enclosing your monthly materials for March. Our goal of this month is to increase awareness of autism within your community. The materials will help you in planning for April – Autism Awareness Month.

If you are planning on sponsoring a community-wide event, please let me know! I would love to get your events on the KATC listserv as well as on the KATC Facebook page.

As you will see, I have included a draft of a press relief for you to submit to your local media outlet in April. I will be sending you an electronic copy over the listserv of this so you will not have to retype the entire thing as you include all of the great information about your support group.

Thanks for all that you do for the families in your community! As always, let me know if there are any ways that you think I could be of help to you.

Jennifer
