| Services  |   |                           |
| <p>--If you want to use accommodations at MSU, you will need to officially register with the Disability Services office. Call 606-783-5188 to schedule a confidential intake session. Meetings can take place in person or over the phone. Services can be pursued at any point but it is best to do so in advance. During the initial intake session, you will be asked to provide some basic information such as student I.D., phone number, and academic major. Your supporting documentation will be reviewed, an understanding of the impacts of your disability will be clarified with your input. In subsequent semesters you can renew your approved accommodations by simply calling, e-mailing, or stopping by the Disability Services office to request them.</p> <p>--Transition from High School to MSU -- Explains the difference between receiving services at a postsecondary institution and high school<br/> <a href="http://www2.moreheadstate.edu/disability/index.aspx?id=31350">http://www2.moreheadstate.edu/disability/index.aspx?id=31350</a> --</p> <p>Personal Coaching<br/> <a href="http://www2.moreheadstate.edu/disability/index.aspx?id=59251">http://www2.moreheadstate.edu/disability/index.aspx?id=59251</a></p> |   |                           |

| To receive accommodations, students with a disability must register with the Office of Disability Services and provide current documentation of a disability. Students delaying registration and request for accommodation may delay their access to accommodations. Professors will require that a student's need for classroom and/or exam accommodations is verified through Disability Services. | <p>Most common services include:<br/> Advocacy, Assistive Technology, Books to CD, Captioning, Computer Lab, Sign Language, Interpreting, Note Taking, Priority Registration, Test Accommodations, Video Phone</p> <p>Other services:<br/> Kelly Autism Program -- College and Circle of Support<br/> Any person graduating from high school with a college bound diploma who meets both WKU and KAP Circle of Support requirements can complete an application. The interested student needs to first apply to and be admitted to Western Kentucky University. To enroll in the main campus, you must meet WKU's entrance requirements for English, foreign language, math and have an ACT score of at least 22 (or SAT score of 930) or have a GPA of 3.0. If you do not meet WKU's main campus requirements, you may still enroll at the Commonwealth School. Besides offering courses to fulfill those requirements, the Commonwealth School offers two-year associate degrees. After the individual has received notification of acceptance he or she needs to contact the Kelly Autism Program and request an intake packet. He or she will complete the intake packet and return it to KAP. After KAP reviews the intake packet we will contact you to schedule an interview. During this process we will review your packet and determine if you would be a good candidate for our program.<br/> <a href="http://www.wku.edu/kellyautismprogram/collegeandcircleofsupport.php">Http://www.wku.edu/kellyautismprogram/collegeandcircleofsupport.php</a></p> |           |                                |

| Services   |   |  |
| <p>Students with a disability requiring accommodations must request such services through the Office of Admissions on the Cumberland and Whitesburg campuses and the Counselor's Office on the Middlesboro campus. Students with disabilities must provide documentation certifying their disabilities. A representative from the Office of Admissions or the Counselor's Office will meet with the student to assess the need and to discuss access to accommodations. The college representative will act as the liaison between the student and the accommodation provider and act to facilitate such reasonable accommodations as may be required.</p> <p>These accommodations may include such services as classroom accommodations on tests and exams; note-taking; taping of classroom lectures; assistance with class scheduling and selection; tutorial services; referral to Department of Vocational Rehabilitation; personal counseling; and teaching, encouragement, and reinforcement of self advocacy skills.</p> |   |  |
