

The 7 Deadly Sins

7, 10...13 and Counting (Kearns, Kleinert, Hooey, 2012, TAALC Project)

- *Not Recognizing Communication*
- *Testing Not Teaching*
- *Object Identification Vs Use Of Objects In Meaningful Contexts*
- *Having Students Make A Choice BUT Then Taking The Choice Away*
- *Complicating Communication With Motor Requirements*
- *Labeling Students As “Unmotivated”*
- *Touching Without Telling (vision impairment)*
- *The Dreaded “YES/NO”*
- *Using Devices In A “Non-Communication” Way*
- *Dismissal From Services Due To Lack Of Progress*
- *Compliance Vs Communication*
- *Waiting For “Readiness” Or “Pre” Means “Never”*
- *Not Collecting Data*
