Statement on diversity in the university community

The University of Louisville strives to foster and sustain an environment of inclusiveness that empowers us all to achieve our highest potential without fear of prejudice or bias.

We commit ourselves to building an exemplary educational community that offers a nurturing and challenging intellectual climate, a respect for the spectrum of human diversity, and a genuine understanding of the many differences-including race, ethnicity, gender, socio-economic status, national origin, sexual orientation, disability, religion, diversity of thought and political ideology-that enrich a vibrant metropolitan research university.

We expect every member of our academic family to embrace the underlying values of this vision and to demonstrate a strong commitment to attracting, retaining, and supporting students, faculty, and staff who reflect the diversity of our larger society.

The university follows a set of guiding principles that shape our community and our actions. Every member of the University of Louisville family is expected to follow these Cardinal Principles:

C

Community of Care

Let us be a University that is a **Community of Care**. Care for self, care for one another as the Cardinal Family and care for the community beyond. We are a community—not just a collection of individuals. We are a community—not just buildings connected by an HVAC system.

A

Accountability

Accountability. We keep our promises. We own mistakes. We are accountable to the team.

R

Respect

Respect, irrespective of position. We respect each other's humanity and dignity, no matter what our positions in the organization are. We also respect our right to differing and conflicting positions on issues. We will be a place that prepares students for ideas, not protects students from ideas.

D

Diversity and Inclusion

Diversity and Inclusion. We celebrate diversity of thought, perspectives and life experiences. As our state motto declares: United We Stand, Divided We Fall. We want everyone, in the richness of all of their many unique and intersecting identities to feel included in the Cardinal fold.

I

Integrity and Transparency

Integrity and Transparency. We will be true to our mission of an urban research university to create, disseminate and apply knowledge. Integrity is our collective commitment to make decisions with the best interests of our university in mind and to share the decision making rationale and the outcomes.

N

Noble Purpose

Noble Purpose. Each of us will identify for ourselves the way in which we make a difference. We know we must solve the problems of access and affordability to give everyone the opportunity to find and pursue their own noble purpose.

A

Agility

Agility. We will recognize that things change and when they do, we must change things. We know that when adaptation in an organization does not keep pace with adaptation in the environment, the organization will not survive.

L

Leadership

Leadership. We recognize that management is a position but leadership is an activity. We will all behave as owners of the University of Louisville because we are. "We are UofL" is not just a hashtag or a slogan. It is our declaration of leadership and ownership.

Conflicts of Interest

Overview for New Employees

Conflict of Interest Office
300 E Market
Suite 300
Louisville, KY 40202

General Information on Disclosure Requirements

Conflict of Interest

A conflict of interest (COI) is any situation that may compromise or appear to compromise a covered individual's (employee or researcher) professional judgment in carrying out their University of Louisville (U of L) activities because of an external relationship/interest of the employee or a member of their immediate family.

Reporting External Interests & Potential Conflicts

External interests and activities must be reported on the Attestation and Disclosure Form (ADF). This includes, off campus, non-University commitments, such as lectures, speaker bureaus, or consulting activities for external entities, as well as, equity holding, board positions, and other activities or ownerships. The questions on the ADF specify what external interests to disclose and other potential COIs that are required to be disclosed. If you are unsure if you should disclose an activity/interest, it is best to disclose and provide additional information in the open text box(es).

How to Disclose

The Attestation and Disclosure Form (ADF) is the means to disclose external interests and activities. The ADF is available at <http://iris.louisville.edu>. Instructions for completing the form are available <http://louisville.edu/conflictinterest>.

Annual Disclosure Requirement

Effective October 1, 2017, all covered individuals are **required** to complete an ADF at least on an annual basis. These individuals include:

- All University of Louisville Employees.
- Non-employees who are engaged in research under the auspices of U of L, regardless of compensation.
This includes all individuals with a research appointment.

Managing Possible Conflicts of Interests

If you have reported disclosures, the submission will be reviewed to determine if a possible conflict of interest exists. If it is determined that your conflict requires management, an approved management plan will be developed for the COI. You will have to agree and sign off on the management plan and your Appropriate Authority will be copied on the plan. Unique COI situations are brought before the Conflict Review Board for a determination on the management, reduction, or elimination of a conflict of interest.

Intellectual Property

Intellectual Property (IP) rights will be disclosed on the ADF; however, employees with IP and/or Technology Transfer questions should contact the Office of Technology Transfer at 852-2965 or thinker@louisville.edu.

Additional information on COI's, including FAQ's, policies, and disclosing requirements is available on the COI Program website or contact us directly.

INFORMATION SECURITY COMPLIANCE OFFICE

The primary goal of the information security compliance program is to protect the confidentiality, integrity and availability of University information assets.

Components of the program include:

- Development and communication of information **security policies, standards** and guidelines
- Information **security awareness** and Training
- Information security **incident response**
- Identification, assessment and mitigation of information **security risks**
- Support of University **compliance efforts** and programs related to information security

Overview

The Information Security Compliance Office (ISCO) serves as the University's resource for guidance on information security compliance and administers the University's Information Security Program. The ISCO oversees information security policies and standards; provides compliance oversight, and assessments; coordinates information security efforts, user awareness and incident response. The ISCO works in conjunction with [ITS Enterprise Security](#), [Audit Services](#), [Institutional Compliance](#) and officials in compliance areas such as [HIPAA](#), [FERPA](#), [PCI](#) and [Export Controls](#) to maintain regulatory compliance and to protect the confidentiality, integrity and availability of all University information assets.

Cards GO Green Pledge

This year I pledge to:
(Choose at least three)

I want to be a part
of the solution!

- Walk** to campus & appointments! Choosing to live within walking distance will save you money and keep you fit!
- Bike** for transportation! It's a quick & easy way to get around. Get 50%-off bikeshare at LouVelo.com with @louisville.edu email!
- Get on the **bus**! Ride the entire TARC system FREE with U of L ID! Plan your trip at ridetarc.org or 502-585-1234
- When all else fails, **carpool** with others! Find/offer rides with the **Cardinal Directions** trip-planner: directions.louisville.edu

- Not run water** unnecessarily (while shaving, brushing teeth, dishwashing).
- Boycott bottled water** and drink Louisville's award-winning tap water in reusable bottles.

- Set thermostats** moderately (under 70° winter, over 75° summer) & adjust 10° when leaving.
- Set computers** to sleep/hibernate when idle.
- Turn off** lights & equipment when leaving.
- Unplug** chargers, laptops, and TVs when not in use — even off, they draw power!
- Buy only efficient, **Energy Star** rated electronics and compact fluorescent or LED bulbs.

- Eat more **locally-grown food** to improve my health, reduce carbon emissions, and strengthen our local economy!
- Seek **organic, fair trade & vegetarian/vegan** options to minimize abuse to the environment, people & animals.
