

English Department Committee Assignments, 2024-25

Committee assignments accommodate the addition of two new term faculty members and the following absences:

- Joining the department in 2024-25: Dr. Crystal Fodrey and Dr. Nina Hanee Jang
- Deborah Lutz is on fellowship leave for 2024-25
- Matthew Biberman is on sabbatical in fall 2024
- Beth Boehm and Beth Willey are working full-time in central administration.
- Robin Mozer will serve as English Major and Minor Mentor.

Another change: for this year, I have assigned some faculty members ex-officio roles on committees. These are liaison roles that will help the two committees involved stay informed about each other's work, which at times overlaps. Those appointed to these roles will have advisory and observational roles and will not have to do all the work/assignments of the committee.
