

THUMBPRINT
—CONSULTING—

Consulting Internship (1 position in Fall & 1 position in Spring)

Thumbprint Consulting, a local consulting agency in Anchorage, KY, is looking for someone with interests and training in technical and business writing to serve as an grant writing intern. During your time with Thumbprint, you will develop skills in technical writing, grant research, client relations, communications, and the ability to synthesize information into a completed product. You will have the opportunity to work with clients in the for-profit and non-profit spheres in a diverse set of areas such as healthcare, renewable energy, addiction recovery, ambient technology, and more. You can learn more about Thumbprint at <https://thumbprint.consulting>.

This unpaid position would likely be ~10 hours per week, and the intern could work remotely or in-office in Anchorage, KY. Please email the English Department Internship Program director, **Dr. Mark Alan Mattes (mark.mattes@louisville)**, if you're interested in learning more about this position and the internship program.
