

Committee On the Status of Women Report to the Faculty Senate

Wednesday Feb.2, 2022

- The chair and vice chair of COSW met with Interim President Gonzalez on January 18th and elevated concerns from our constituents related to remote work and flexibility.
 - COSW and the Parents Employee Resource group (PERG) have been collaborating with Mary Elizabeth Miles to articulate these concerns and work toward solutions.
 - On January 21st, Dr. Gonzalez joined Mary Elizabeth Miles at a meeting with the PERG to hear the feedback directly.
 - The following week, Dr. Gonzalez emailed the PERG ahead of the campus-wide email about remote work and flexibility to thank them for sharing their concerns and to let them know she heard them.
- COSW will be sending out a request for nominations in late March/early April.
- Please reach out to Heather Fox or Michelle Rodems with questions or concerns.

Respectfully submitted to the faculty senate by Senate Representative to COSW, Olfa Nasraoui on Feb. 2, 2022.
