

## **Committee On the Status of Women Report to the Faculty Senate**

**Wednesday Nov.1, 2022**

- I. COSW collaborated with CODRE for a Listening Session about perceptions of and support for individuals with disabilities at UofL. Notes for the session are available on the CODRE website.
- II. The Work Life Integration committee is currently having meetings with folks regarding what it can do to support the Early Learning Campus, and will be pulling together a group to pull together additional resources for parents in our community.
- III. The Campus Climate Committee, representing the work of Riece Hamilton and Courtney Stine, have had some initial conversations about a potential pilot space for a Wellness Room on campus.
- IV. If anyone would be interested in collaborating with or participating on either of these initiatives, please reach out to Michelle Rodems ([michelle.rodems@louisville.edu](mailto:michelle.rodems@louisville.edu)), Chair of COSW.

Respectfully submitted to the faculty senate by Senate Representative to COSW, Olfa Nasraoui on Nov.1, 2022.
