

Report of the Faculty Athletics Representative
8 January 2014

As we begin the new semester and move closer to the date when U of L will join the Atlantic Coast Conference, the FAR and the Committee on Academic Performance are collaborating with members of the Athletics Department and the Student-Athlete Advisory Committee to create student-athlete “academic excellence” endorsements of their courses, majors, and academic experiences here at U of L. These student-athletes are determined to take a leadership role in improving their own graduation rates (which are in fact quite good) as well as the academic profile of the whole university. For the time being, their campaign has the tag line of “Cards Flying High”!
