

Report of the Faculty Athletics Representative  
4 April 2018

As a member of the Search Committee for the AD and a member of the ULAA Board, I am confident that due diligence was observed in both the hire of our permanent Athletics Director/Vice President and our new Men's Basketball Coach. Vince Tyra has agreed to visit the Faculty Senate at the earliest opportunity in order to discuss his long term business plan and his vision of shared responsibility with the faculty.

Meanwhile, I hope you will join me in welcoming Chris Mack, in thanking David Padgett, and in saluting Jeff Walz and the Women's Basketball Team for taking us to the Final Four and giving us much pleasure and pride.

CAP continues to work on its End of Year Questionnaire for Student Athletes and its Annual Review of Athletic Academic Functions. The year is quickly drawing to a close, and despite the many bumps in the road, our student-athletes have fared well. In my next report I will share the many accolades that our various teams have earned during 2017-2018.

Respectfully yours,  
Prof. Elaine Wise, FAR
