

Report of the Faculty Athletics Representative
27 June 2018

I am pleased to announce that Professors Dawn Heinecken, A&S, and Sheldon Bond, Medicine, were elected to three year terms on the University of Louisville Athletic Association Board of Directors in our recent university-wide election. Thus, they will serve on the Committee for Academic Performance (CAP), among other duties. The committee looks forward to welcoming Professor Bond and to re-welcoming Professor Heinecken.

Too, on behalf of CAP, I thank all of the unit nominees for sharing their vision statements with the faculty and for their willingness to serve.

Sincerely yours,
Elaine
