

Report of the Faculty Athletics Representative
9 January 2019

Although the Committee on Academic Performance has not yet met this semester, we look forward to conducting our annual review of compliance services and athletic academic services, preparing for the student-athlete end-of-year questionnaire, as well as initiating the election process for faculty elections to the ULAA Board.

Each year, I like to share with you the latest public report from the NCAA on Division I Graduation Success Rates (GSR). NCAA Graduation Success Rates (unlike the federal rates) hold institutions accountable for student-athletes who transferred in, and does not penalize for students who transferred out in good standing. U of L's teams are faring well in GSR, and our overall rate is competitive in the ACC Conference.

Respectfully Submitted,
Elaine Wise, FAR
