

## Report of the Faculty Athletics Representative

October, 2020

The Committee on Academic Performance (CAP) met on Tuesday, September 8, 2020 via MicroSoft Teams. We will continue to meet via Teams on the second Tuesday of each month.

In September, Rachel Overton provided a brief presentation and overview of the Houston Bridgeman Degree Completion Program, a program for former student athletes who are attending the University of Louisville. This program contains two major components:

1. The pre-enrollment process where the former student-athlete contacts the university to enroll in a degree program and receives an evaluation and advisement on available degree options
2. The enrollment process where an academic plan is crafted

Assistance is provided through scholarships, including academic tutoring, academic advising and career planning. Due to COVID-19 there is increased interest to complete degrees from those who are involved in professional sports programs.

Stay safe, stay well and Go Cards!
