

Report of the Faculty Athletics Representative

March, 2021

The Committee on Academic Performance (CAP) met on Tuesday, February 9, 2021 via MicroSoft Teams. We will continue to meet via Teams on the second Tuesday of each month.

The Committee reviewed the current UofL Stacking Policy as well as the CAP 2.0 rule. We will continue to review and discuss these policies at the March and April meetings.

Unit nominations for the annual ULAA election are due to Gretchen Henry by March 15th. The election should launch around early April.

As a reminder, student athletes' irregularity in missing classes during COVID-19 has been a problem for all the ACC schools. Changing dates and times due to the pandemic is more frequent than ever. Professors with student athletes in their class were contacted in the beginning of the semester to with this alert. Academic counselors are communicating as soon as athletics is aware of a schedule change. Please let me know if you have any specific questions or concerns.

Stay safe, stay well and Go Cards!
