

REPORT OF THE COMMITTEE ON ACADEMIC PERFORMANCE
Faculty Senate
April 2023

The Committee on Academic Performance met February 20th. Zack McKay joined the conversation with updates regarding NIL current climate and initiatives. Ongoing conversations include the processes and best practices of evaluating transfer students and current degree audit systems. CAP's next meeting will be April 17th, in person at the Thornton Academic Center for Excellence.

We are currently working on an initiative for a better reporting process for those student-athletes who have been honored in part due to academic achievements, such as ACC and NCAA Post Graduate Scholarships.

ULAA campus wide elections will launch Wednesday, April 5th and remain open for two weeks. Please vote and encourage your faculty colleagues to vote!
